MEMORANDUM FOR: DDI Rep/Office of Legislative Liaison

25X1

FROM

Chief DSD/ABMB

SUBJECT : Memorandum for the Record Regarding Briefing of  
Dr. Ashton Carter on 28 February 1984

1. Dr. Carter was briefed 28 February 1984 by OSWR/DSD on  
Soviet BMD. OSWR Participants were

STAT  
STAT

1. Dr. Carter was primarily interested in the Soviet  
directed energy program, and compliance issues concerning the ABM  
Treaty. Informal discussions went on for about three hours, and  
no notes were taken. The exchange was productive and useful for  
both parties.
